CHAMBER OF COMMERCE

Ongoing discussion about options for lighting the new mural. The Chamber of Commerce has contacted the Veterinary to inquire about installing the light on their building. They are willing to

allow the installation of a light on their building in addition to paying the bill to run the lighting. A&K Water will be reaching out to AEP to inquire about the possibility of hooking into street lighting to avoid having public lighting on a private business.

The ribbon cutting for the mural is scheduled for Thursday, September 10, 2026 at 6:00 pm. In addition, the item of a plaque for the mural was discussed. Council would prefer the plaque be located directly on the silo rather than a free-standing sign.
